MUSIC A LIFE-LONG FRIEND

SCHOOL JUNIOR ORIGINAL CONCERT

To convey the joy of music across cultural and national boundaries, making it possible for people everywhere to express themselves musically is the foundation to which the Junior Original Concert is built upon.

The Yamaha Music Education System (YMES) helps young ones to discover their musical senses, develop skills and also enhances their ability to express their own thoughts, feelings and imagination through their own composition.

This year, we saw a total of 380 compositions performed at seven (7) venues by ten (10) Yamaha Music Schools.

See you next in Yamaha Piano Course Concert 2016 and till we meet again in Yamaha Piano Prize 2018.

The Yamaha Piano Prize (YPP) took its centre stage on the 17th April 2016 at Taylor's University Lakeside Campus. All thirty-eight (38) contestants, selected from the Yamaha Piano Course Concert (YPC) 2105 nationwide competed during the event.

At Yamaha Music, we believe that music should not just be taught at classrooms. Students should be inspired to love the art of making music. It is with this objective that this competition is organized as a platform for students to put into practice what they have learned in the classrooms and to build their confidence and effort to perform in front of an audience.

We hope that the encouragement the students received from their performances during the event will inspire them of wanting to enhance their skill and increase their love and passion for the art of making music. It is our desire that all the participants will take home with them an experience which will be invaluable to them.

We would like to take this opportunity to thank all our students, parents, teachers, staff and management of Yamaha Music Schools for supporting us. Your encouragement has made us more determined and focus in delivering the best we could in our pursuit of excellence in the teaching of music.

2016年马来西亚青年原创音乐会

马来西亚青年原创音乐会 (JOC已于3月20日举行; 礼堂座无虚席, 观众的耳朵尽享一顿多元风格, 丰富的音乐飨宴。

当天的节目内容包括了22名青年作曲家, 通过独奏及合奏, 将他们的作品表现出来。如同每一场的JOC, MJOC 活动也会纳入即兴主题 (Motif Improvisation) 的演出环节。在即兴主题环节, 演奏者将从简短的音乐概念中获取灵感, 再创造出较大规模的作品。

今年, 雅马哈音乐学校学生代表Grace, Mak En, 为大家即兴演奏了一曲; 她即将把观众们写的一段两小节的旋律动机, 即兴创作了一首曲子。

MJOC 2016 其中一个高潮点, 不外是贵宾Ng Xin Yee 的精彩演奏。Xin Yee 是在假日本端恋村举办的 亚太区青年原创音乐会 (APJOC) 2015 的马来西亚代表。当晚她的一首轻快拍爵士风曲子为当晚的表演画上了完美句点, 让日本的观众们意犹未尽、回味无穷

雅马哈钢琴课程 (YPC)

大雅马哈音乐学院所举办的音乐活动众多，其中一项就于4月17日是假泰莱大学湖畔校园举行的雅马哈钢琴大赛，活动吸引大众关注。38名选手均是来自2015年雅马哈钢琴课程音乐会(YPCC)、全国各地芸芸学子于赛事内一比琴技高低。

在雅马哈音乐学院里，我们相信音乐不应该只是课堂里授的课。在这里学生受启迪而爱上创作这门艺术。举办一场大赛无非就是为学生们提供一个平台，让他们把课堂里所学习的能学以致用；透过为观众演奏，建立信心，就是我们最终的目的。

我们希望学生们在演奏会里表演，受到激励后能进一步启发他们更愿意地去提升技能，并增加他们对音乐创作，这艺术的喜爱和热忱。我们衷心地希望所有的参赛者在离开前都能从中领受到对珍贵无比的体验。

借此机会我们特别感谢雅马哈学院全体师生，家长、工作人员以及管理层的支持。您的鼓励和支持让我们音乐教育的路上精益求精，更坚定不移地把最好的献上。

2016年雅马哈钢琴课程音乐会再见，再下一回就会是2018年雅马哈钢琴大赛吧！

Voices of the Graduates

I became part of the Yamaha Academy of Arts & Music (YAAM) in March 2011, pursuing Diploma in Music, a three (3) year full time music course that provides a variety of subjects that develops our musicianship skills, performance studies, writing skills and musical creativity. My love for performing began when I first started my music lesson at the age of 4 and I was able to gain the exposure and experience of performing here at YAAM, as they provide various avenues for us to perform.

I then went on to pursue my degree – Performance in Music, at Middlesex University, UK upon the completion of my Diploma in Music program at YAAM. The educational experience there is beyond what I expected, for besides course work and assignments, I was also exposed to issues such as employment, music business and sociology. In addition, I was able to meet musicians from around the world, sharing our thoughts towards music.

I also was given the opportunity to collaborate with the well-known String Quartet – Allegri, for performances at churches and music halls. It was no doubt a fun and memorable experience. July 2015 I successfully graduated with a Second Class Upper, and I am pleased that all my hard work has been recognized.

My passion towards performing doesn't end here as I seek to continue in my pursuit of a Master's Degree in Performances and Related Studies at Goldsmiths University, UK in September 2016. I hope that all that I have garnered these years will lead me to the path of success. Education is the key to the future, it will never be too late to learn.

Link Xin Wei

Alumni of Yamaha Academy of Arts & Music and Middlesex University, UK

Growing up, following my parents' footsteps have implanted in me the interest in music. I enjoy performing on stage and share my music with audience. As I grew up and completed my secondary school years, my parents realize my passion and gave me their full support in pursuing my tertiary studies, majoring in Music.

I sent applications to various colleges that offers music courses, and I was delighted to be accepted into the Yamaha Academy of Arts & Music (YAAM) to pursue a Diploma in Music. All the courses provided helped develop my skills and knowledge towards music, especially my musicianship skills. The theory lessons received helped build my analytical skills. It not only gave me new insights, but it also sped up my progress in learning new pieces for the instruments I major in.

One of the best things about YAAM is the ever helpful and knowledgeable lecturers. They are always more than happy to share with us their previous experiences in their music journey and their knowledge garnered through the past years. With their patience and guidance, I have a clearer vision and direction of my future and gained more confident in having a career in music.

Apart from that, YAAM provides a wonderful platform for all students to perform at their bi-yearly semester concerts and even at weekly lunchtime concerts. The best gift YAAM gave to me is my course mates. We explored, enjoyed and worked together to achieve our goals.

Each graduates of YAAM have an opportunity to pursue the Degree Program at either one of the linked universities in UK and I chose University of Wolverhampton. I followed on to pursue my MasterDegree Program the year after. With all the experiences and knowledge received from YAAM helped much with my study life in UK.

I believe that with all that I have learnt and received the past years will be a good foundation for me, now that I have completed my studies and am on the path of walking into a new phase in my life – career.
