Yamaha Flute Festival in France

Philippe Pierlot

Shigenori Kudo

Kazunori Seo

Clement Dufour

Trio d'Argent

On December 12th, YMF organized a special concert "Yamaha Flute Festival" de la Culture du Japon in Paris, with 7 prestigious artists:

Philippe Pierlot, Shigenori Kudo, Kazunori Seo, Clement Dufour and Trio d'Argent (Xavier Saint-Bonnet, Michel Boizot and François Daudin-Clavaud).

They played original (or surprising) program. It was a journey's invitation. A trip which goes from America to Asia, central Europe to the Balkan peninsula ...

The hall was almost full, over 200 audiences (capacity 296) The concert was a big success and all the audience was very enthusiastic. Before the concert, with Mr. Takahashi, we have set up a flute exhibition (handmade silver, wooden and gold flute), it was a good opportunity for many students to try our flutes. As we did for our previous concert, this concert was free of charge for attendants and we invite dealers, teachers, students, customers through dedicated internet web site.
